WE agree hereby to make the changes specified at the price noted below. The above prices and specifications of this change order are satisfactory and are hereby accepted. All work to be performed under same terms and conditions as specified in original contract unless otherwise stipulated. The electrical contractor will make every effort to stay as close as possible to your specified locations; however, all locations are subject to Builder framing and mechanical specifications and code requirements. Signing will verify your approval of these conditions and your locations. This change order becomes part of and in conformance with the existing Builder contract. ANY ADDITIONAL CHANGES AFTER SIGNING DATE MAY INCUR LATE FEES.
