4 Bedrooms , 3½ Baths, 2-Car Garage

Beautiful open floor plan with a finished basement just down the street from Stapleton's LARGEST future pool and park. Throughout this home we have selected high end urban farmhouse finishes including; engineered hardwood floor throughout the main level, white quartz counter-tops, and white tile backsplash. This home features a mud room with built-ins and a walk-in pantry off the kitchen. The great room has a fire-place with subway tile up to the ceiling! We have AC, active radon system, and tankless water heater included as well. Large second floor Master Bedroom Suite, second floor laundry, and plenty of storage space. The finished basement offers an additional living space, bedroom, and full bathroom. Fencing and landscaping included!
