Newbridge ♦ 10342 E 59th Ave ♦ 2,550 sq. ft. ♦ 3 Beds, 3.5 Baths ♦ \$668,987

Highlights – The Newbridge is scheduled for a **December '19 closing** and comes packaged with many popular options and upgrades. With three bedrooms on the second floor along with a full bath in the third-floor loft, you'll have plenty of space that can be adapted for extra living areas, a home office, or a play room. The third-floor loft space also comes upgraded with a covered, south-facing rooftop deck where you can enjoy the fresh mountain air in the shade. The listed price includes the lot premium.

Brookline ♦ 10322 E 58th Ave ♦ 2,652 sq. ft. ♦ 3 Beds, 3.5 Baths ♦ \$646,282

Highlights – This Brookline, scheduled for a **December '19 closing**, comes packaged with some of our most popular options and upgrades. With the master suite sitting next to the covered rooftop deck on the third floor, you'll have unbeatable indoor-outdoor spaces from the comfort of your own bedroom. On the main floor, the designer kitchen and dining room sits behind the elegant barrel arch separating it from the spacious family room. On the second floor, two large bedrooms each enjoy a private full bath, with a common study area in the middle. The listed price includes the lot premium.
