

# UPLANDS CONTOUR 1

This is true comfort, top to bottom. Starting on the third floor, where the private owner's retreat gives you plenty of room for a lounging area as well as a king-sized bed. And where even the secondary bedroom has its own en suite bath. Downstairs, a large kitchen island lets you cook and entertain guests all at the same time. Then a spacious balcony lets the party migrate outside for a nice, long sunset dinner al fresco. And with a cozy first-floor office, you get the kind of comfortable seclusion that makes the workday, well, work.
