

UPLANDS CONTOUR 2

The story of this townhome unfolds with a touch of drama on the second floor. Here, a large balcony, living room and dining area flow into an open kitchen with a great big island, creating a contemporary loft-inspired dwelling space. It's a setup so cool, you could shoot your own home cooking vlog. Upstairs, you may find yourself swept up in an owner's retreat that takes up nearly half the entire third floor. While in the ever-practical first-floor study, you'll find yourself brought down to earth. In a good way.
